How to find us:

By Road For Sat Navs, postcode is **SO31 4HQ**.

Hamble, also known as Hamble-le-Rice, lies off the A27 on the East side of Southampton Water, between the cities of Southampton and Portsmouth. There is a large free car park at Mercury Yacht Harbour.

Directions - Leave the M27 at junction 8 signposted Hamble/Southampton East. This will take you to a roundabout – from the East take the first exit, from the West take the third exit. At the next roundabout take the second exit. There will be a Tesco store on your left. Go straight across the next two mini roundabouts and the traffic lights. Follow this road for approximately 3/4 mile. Go straight across the next roundabout and then immediately left into Satchell Lane. Follow this road over the bridge and eventually you will see the sign for Mercury Yacht Harbour on your left where there is a free car park.
